| Trowel blades | art. no: 11508 |
| Plastic trowel blades | art. no: 11573 |
| Lifting strap, 0.7 m | art. no: LC900842 |
| Engine catalyst GX160 | art. no: 11081 |

Designed and made in EU

Strong rotating guard ring

The guard ring makes it possible to trowel close to walls and pillars. A soft strip on the ring protects the surface against damages.

Foldable handle

Enables easier transport and a quick assembly.
